Our House provides a continuum of services in the treatment of HIV/AIDS.

HIV/AIDS is a complex and challenging disease that can often be overwhelming. The Our House team works with people with advanced HIV/AIDS who are having difficulty managing independent living. We tailor services for each individual that defines what "living well" means to them.

Our House Philosophy of Care

Consistent with our vision and core values, our Philosophy of Care is based upon compassionately and effectively meeting the physical, emotional and spiritual needs of our residents and clients.

OUR HOUSE FACILITIES & PROGRAMS

OUR HOUSE

Since 1988, Our House has been a residential care facility in Southeast Portland that provides services for people with HIV/AIDS. Residents work with skilled professionals in nursing, social work and occupational therapy.

At Our House, some residents regain their health and become independent enough to be discharged. Others remain at Our House for continued intensive services, maintenance services or palliative care.

Resident capacity: 14

- 24 Hour Skilled Nursing Services
- Intensive HIV/AIDS Clinical Services
- On site Social Work and Occupational Therapy services

SWAN HOUSE

Swan House is an adult care home located in Milwaukie, Oregon. Residents at Swan House live in a group setting and receive assistance with personal care, meals, mobility, transportation, medication management and more.

- Resident capacity: 5
- Weekly visits by health care consultants

NEIGHBORHOOD HOUSING & CARE PROGRAM (NHCP)

The Neighborhood Housing & Care Program provides housing and in-home services, including nursing, social work and occupational therapy, to people living with HIV/AIDS. Created by the Our House team, this program supports and encourages independent living in a safe, stable and healthy environment.

We assist clients with an array of services including medication and symptom management, self care, counseling and referrals to community resources. This program provides the least intensive services.

- Assistance with securing and maintaining permanent housing
- Regular in-home visits by clinical staff
- Access to community services

TOD'S CORNER

Founded in 1990 by Friends of People with AIDS Foundation, Tod's Corner provides clothing, personal care items and household goods to people living with HIV/AIDS. Additional services include basic veterinary care for companion pets, medical equipment, cremations, and other case-by-case needs.

Named in memory of Tod Hutchins, whose clothing 'estate' began the Corner.

ESTHER'S PANTRY

Esther's Pantry is a food bank founded in 1985 for people with HIV/AIDS. The Pantry allows clients to select food from well-stocked shelves, rather than receiving a pre-packed box of food. Located in Milwaukie, Esther's typically serves over 150 clients per month.

Named in memory of Chester "Esther" Brinker, one of the first people in Portland to die of complications from AIDS.
