## ANNUAL REPORT

2007

**Our House**

**Swan House**

**Neighborhood Housing  
and Care Program**

**Tod's Corner**

**Esther's Pantry**

Inspiring people with HIV/AIDS to live well

## FROM THE EXECUTIVE DIRECTOR

*As I look back over the past year, I see we have made many accomplishments:*

- Our building was completed in July 2006 on time and within budget.
- This has been our most successful year so far for donations and gifts to Our House. In spite of being in the midst of our capital campaign we were able to finish the year in the black.
- The Neighborhood Housing and Care Program (NHCP) has been expanded to efficiently support more than 20 people.
- The State of Oregon provided Our House and Swan House with an increase in our contracts.
- We have built a strong technological infrastructure.
- Our organizational processes and procedures were clarified and strengthened.
- We took over the management of Tod's Corner and Esther's Pantry (June, 2007), which enhances the services that we provide our clients.

Executive Director  
Wayne Miya

### Challenges....

Although our programs have been very successful, we continue to search for sustainable funding. The Neighborhood Housing and Care Program (NHCP) has been successful in getting start-up funding, but ongoing funding for these services had been difficult. We continue to look at public and private funding sources to supplement our existing fund-raising efforts for all of our programs.

Providing services for people with HIV/AIDS continues to be very challenging. We experience a lot of issues concerning mental health and substance abuse. Most of our clients suffer from multiple disorders which make their care complicated. Luckily, our staff continues to receive extensive training from highly qualified experts, and we have had extensive discussions on how to best address these issues within our philosophy of care.

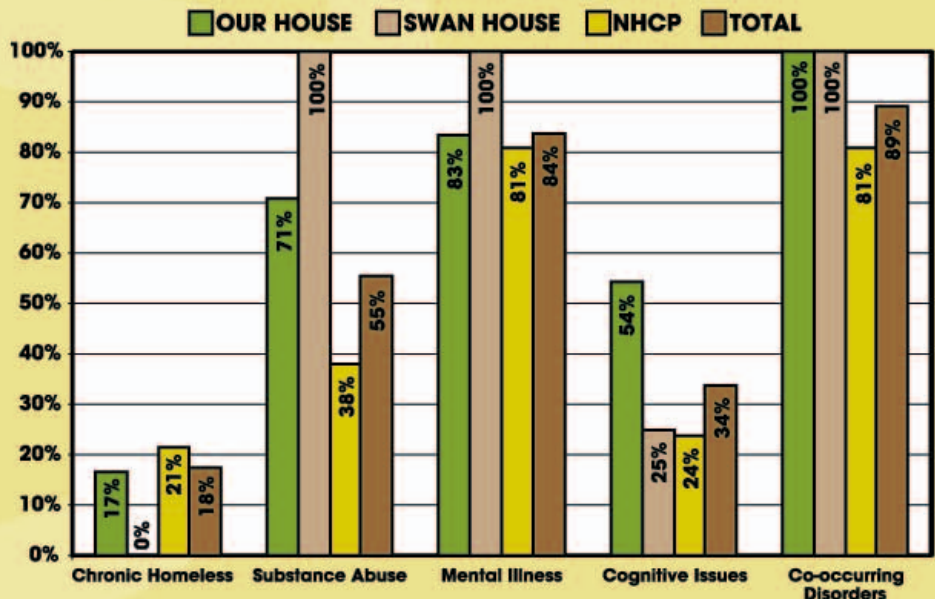

Care for people with HIV/AIDS is still a major issue in our community. The Our House continuum of care provides critical services that are needed. As the disease changes, the needs of our clients and residents change also. We are continually adapting our services to ensure we provide the appropriate care to those we serve.

Thanks to all of our staff, volunteers, donors and friends that have made Our House a successful and dynamic organization.
